**AICP SIDELETTER TO THE  
DIRECTORS GUILD OF AMERICA, INC.  
NATIONAL COMMERCIAL AGREEMENT OF 2017**

This Sideletter (herein called the “AICP Sideletter”) is made and entered into in the City of New York, State of New York between the Association of Independent Commercial Producers, Inc. (herein called the “AICP”) on behalf of those AICP member Producers who have authorized the AICP to be their representative for the purposes of collective bargaining and the Directors Guild of America, Inc. (herein called the “Guild”). This AICP Sideletter will supplement and be part of the Directors Guild of America, Inc. National Commercial Agreement of 2017 (herein called the “Agreement”). The AICP Sideletter and the Agreement together constitute the Directors Guild of America, Inc.-AICP National Commercial Agreement of 2017 (herein called the “DGA-AICP Agreement”).

The terms of this AICP Sideletter are exclusively for the benefit of, and are applicable to, only those Producers who are now, and remain for the term of the Agreement, members in good standing of the AICP. The terms of this Sideletter which are exclusive to AICP members shall apply only so long as the Producer remains a member in good standing. In the event a Producer’s AICP membership is terminated for any reason, such Producer shall be subject to the terms of the DGA National Commercial Agreement excluding this AICP Sideletter effective the first day of the month following the AICP’s written notification to the Guild and the Pension and Health Plans that such termination of AICP membership has occurred.

This AICP Sideletter and the Agreement together represent the entire agreement between the parties. The terms of the AICP Sideletter shall prevail over any provision of the Agreement which is inconsistent with this AICP Sideletter.

- (B) Contributions shall be based on the presumed salaries defined in AICP Article 3-104 below.
- (C) The term “loan-out” means a company which is controlled by the Employee and loans the Employee’s services to the Producer.

### 3) **Staffing**

Notwithstanding the terms of Articles 1-303 and 1-304, and Article 5-100 of the Directors Guild of America, Inc. National Commercial Agreement of 2017, the Agreement shall be deemed modified for members of the AICP in the following respects:

- (A) Members of the AICP shall not be required to employ a 1<sup>st</sup> AD on any particular production unit unless there are more than six (6) persons (of whom not more than two (2) may be a member of the cast), exclusive of the Director, employed by the AICP member for said production unit.
- (B) The AICP member shall not be required to hire a 1<sup>st</sup> AD for one (1) day's preparation on jobs for which the shooting takes less than five (5) hours. In the event that the shooting on such job exceeds five (5) hours in duration, the 1<sup>st</sup> AD shall be paid for the preparation time as though the same had been performed on a separate day from the shooting and shall be paid the applicable flat daily rate for each preparation and shooting day.
- (C) Notwithstanding the provisions of (B) above, the AICP member shall not be required:
  - i. to employ a 1<sup>st</sup> AD for preparation on a one-day shoot of any of the following jobs:

    - 2. Minor re-shooting.
    - 3. Stop motion photography.
  - ii. to employ a 1<sup>st</sup> AD for pick up shots ("winging" as generally understood in the Industry).
- (D) With regard to Article 5-103 (D) concerning location scouting, this provision shall be operative with regard to AICP members to the extent and upon condition that it is uniformly applied and enforced with respect to other DGA signatory producers in the television commercial industry who are not AICP members.

can be the same day on which the 2<sup>nd</sup> AD performs any other work, such as work described in sub-paragraphs (i), (ii) or (iii) of Article 5-103 (A).

**4) Training Program and Qualification Lists**

Notwithstanding the terms of Articles 6-100, 6-200 and 6-300 of the Directors Guild of America, Inc. National Commercial Agreement of 2017, the Agreement shall be deemed modified with respect to members of the AICP in the following respects:

- (A) The parties agree to study any problems arising under Article 6-300 of the Agreement.
- (B) In unusual circumstances, the AICP may, on no more than fifteen (15) occasions over the life of the Agreement, and with prior notice to the Guild, designate a competent 1<sup>st</sup> AD, 2<sup>nd</sup> AD or UPM as eligible to work on commercials in the New York, Southern California and Third Areas. Notwithstanding the criteria set forth in Article 6-300 of the Agreement, such individuals shall be eligible to be employed on commercials in the category or any lesser category with any Producer signatory to the National Commercial Agreement of 2017.

**5) Most Favored Nations Clause**

The Guild agrees that if, during the term of this Agreement, it enters into a contract with any Producer whose business is comparable to and in competition with the Producer herein, granting to such other Producer more favorable rates, terms or conditions of employment than those provided for in this Agreement, the Guild will notify the AICP, and the AICP shall have the option to adopt such more favorable rates, terms or conditions.

The above terms in this paragraph 5 do not apply to the DGA Midwestern Commercial Agreement.

**6) Non-Commercial Productions**

- (A) Music videos are not covered by this AICP Sideletter or the Agreement. Pension and health contributions are not to be made for music videos unless an individual Producer has entered into a separate written agreement with the Guild covering music videos which requires the payment of such contributions.
- (B) The provisions of Article 7-111 (B) of the Agreement are not covered by this AICP Sideletter or the Agreement. Pension and health contributions are not to be made for productions as defined in Article 7-111 (B) unless an individual Producer has entered into a separate written agreement (See Exhibit D) with the

Guild covering such productions which requires the payment of such contributions.

**7) Safety Bulletins**

The AICP has been provided with copies of the CSATF Industry Safety Bulletins. To the degree possible the AICP will promote utilization of such Bulletins as guidelines for safe practices in the commercial industry.

**8) Non-Traditional Commercials**

The Guild will give good faith consideration to requests for waivers, which shall not be unreasonably denied, to extend the terms of Section 8-200 to non-traditional commercials whose total production costs exceed \$500,000 but are less than or equal to \$750,000, provided that the budget for any single shoot day does not exceed \$50,000. The Guild shall also give good faith consideration to requests for waivers, which shall not be unreasonably denied, of minimum staffing under Sections 8-100 and 8-200 where the Director or First Assistant Director can perform all covered duties without assistance.

**9) Low-Budget Commercials**

(A) A Low Budget commercial is defined as a commercial whose total production costs (excluding “Editorial and Finishing”, “Talent Costs & Talent Expenses” and any budgetary overage incurred after production has commenced for which the Employer does not receive payment) as set forth on the AICP Film Production Cost Summary (hereinafter “Production Costs”) do not exceed \$125,000 per shoot day and total production costs cannot exceed \$625,000. The Guild will give good faith consideration to requests by the Producer for waivers, which shall not be unreasonably denied, from the preceding sentence where the total production costs exceed \$625,000.

(B) Low Budget Commercials shall be divided into four different tiers based on daily Production Costs as follows:

Tier 1: Low Budget commercials whose Production Costs are less than \$50,000 per shoot day.

- (a) Article 3 (Pension and Health Contributions) is modified to provide that pension and health contributions for Unit Production Managers and Assistant Directors other than Principal and Staff Unit Production Managers and Assistant Directors will be remitted on the minimum rates of pay set forth in Article 5 of the NCA. All other provisions of Article 3, as amended by this AICP Sideletter, shall apply in their entirety.

Upon request, the Producer will submit verification of the final approved budget and approved overage document for such commercial. The Guild has the right to audit records relating to the cost of the commercial. Budgetary documents and information provided will be kept confidential.

**10) Safety Committee**

During the negotiations for the 2011 National Commercial Agreement the Directors Guild of America expressed concern that guidelines governing safety meetings and procedures on the set have been handled disparately, and in many cases, have lacked clarity with respect to the nature of the responsibility of Assistant Directors as safety officers.

To address this concern, a committee comprised of an equal number of authorized AICP member company representatives and DGA representatives shall meet no later than May 1, 2012 for the purpose of creating a single set of recommended safety guidelines for use by all companies signatory to the DGA National Commercial Agreement. The document will be completed no later than August 1, 2012. The AICP agrees to disseminate the Guidelines to its member companies no later than September 1, 2012.

**11) First Assistant Director Committee**

During the negotiations for the 2011 National Commercial Agreement the Association of Independent Commercial Producers expressed its concern about the ability of its member companies to compete in the domestic and international marketplace. In particular, the AICP raised concerns about cost inefficiencies involved in employing and transporting First Assistant Directors to domestic and foreign distant locations. To address these concerns, the AICP and DGA agree to meet during the term of this Agreement within sixty (60) days of the request of either party to exchange information and explore suggestions that will improve the ability of AICP companies to compete for commercials shot on distant location and to increase work opportunities for First Assistant Directors.

**12) Director Deferral Program**

Notwithstanding the Guild Shop provisions set forth in Article 1-102 of the Agreement, Directors engaged to direct commercials may elect to defer becoming a member of the Directors Guild to not later than ten (10) shoot days or one (1) year from the Directors first shoot day, whichever is earlier. The ten (10) day, one (1) year period applies per Director regardless of the number of companies for which the Director works. The above provisions apply only to Directors who are not, and have not previously been, members of the Guild.

A Producer shall notify the Guild in writing within forty-eight (48) hours of entering into an agreement to engage or represent a new Director. The Guild will provide written notice to the AICP of problems relating to the above provisions and the AICP will meet with the Guild to resolve such problems.

Except as specifically modified above, all terms and conditions of the NCA will apply.

In addition to any other remedies available to the Guild under the DGA-AICP Commercial Agreement, the Guild may revoke this provision prospectively with respect to individual Employers who on two or more occasions fail to comply with the forty-eight (48) hour notice requirement or fail to file Commercial Project Listing Forms, or fail to comply with the Guild Shop provisions set forth in Article 1-102 of the Agreement, as modified herein with respect to jobs performed under this provision. The Guild will give an Employer written notice of the Employer's failure to comply with these provisions prior to revoking this provision.

In addition to the above, the AICP sent a letter to AICP Companies concerning the problem of "double breasting" and the Guild's intent to enforce Article 7-105.

### **13) Geographical Scope**

During the negotiations for the 2005 and 2011 National Commercial Agreements, the Association of Independent Commercial Producers expressed its concern that on many occasions there is insufficient time to apply for a work permit or visa in connection with commercials shot entirely outside North America. The AICP asserted that its member companies cannot employ an American First Assistant Director outside North America absent a valid work permit or visa. In many instances, the Producer does not have sufficient lead time to apply for and/or receive a response to a work permit or visa application before the first day of production. To address this concern, the parties agree as follows:

- (A) Notwithstanding the Geographical Scope provisions set forth in Article 1-202 of the Agreement, an Employer shall not be required to transport a First Assistant Director from the United States where the commercial involves three or fewer foreign shoot days outside North America or where the commercial's total production costs (excluding "Editorial and Finishing" and "Talent Costs & Expenses") as set forth on the AICP Film Production Cost Summary do not exceed \$350,000.
- (B) The Employer shall comply with its obligation under Article 1-202 of the Agreement to provide the Guild with prompt written notice when a First Assistant Director is not transported pursuant to this provision, and shall also file a Commercial Project Listing Form as required by Article 1-102 (C) of the Agreement.
- (C) In such situations, the Employer shall give preference of employment to DGA First Assistant Directors (i) who reside in the country where production is taking place; or (ii) who hold a work permit or are otherwise eligible to work in said country and are eligible for employment as a local hire (i.e., the assignment does not require that the Employee be transported to that country for employment).

The Guild will maintain a list of First Assistant Directors who satisfy these requirements. A First Assistant Director employed pursuant to this provision who does not live within commuting distance of the location of the commercial may, subject to individual negotiation, be employed as a local hire pursuant to this Agreement.

- (D) On a commercial shot entirely outside North America where the Employer transports a First Assistant Director from the United States where the total production costs (excluding “Editorial and Finishing” and “Talent Costs & Expenses”) as set forth on the AICP Film Production Cost Summary do not exceed \$500,000, the terms and conditions of the First Assistant Director’s employment shall be individually negotiated. Pension and Health contributions shall be paid on the minimum rates of pay set forth in Article 5 of this Agreement. Producer shall submit to the Guild, no later than thirty (30) days after the last shoot day, the AICP Film Production Cost Summary. Upon request, the Producer will submit verification of the final budget for such commercial. The Guild shall have the right to audit records relating to the cost of the commercial.
- (E) In addition to any other remedies available to the Guild under this Agreement, the Guild may revoke the terms of this provision on written notice to the Employer and the AICP prospectively for the balance of the term of this Agreement with respect to individual Employers who on two occasions fails to file a Commercial Project Listing Form for commercials produced outside the United States. The Guild will give the AICP and the Employer written notice of the Employer’s failure to comply prior to revoking the terms of this provision.
- (F) The AICP has agreed to remind Producers that they are mandated by NCA Section 1-303 (B) to complete and submit to the Guild prior to the first day of shooting, a DGA Commercial Project Listing Form for every project covered by this Agreement. The AICP has also agreed to remind Producers that failure to do so on any two occasions may result in the revocation of the terms of this provision for the balance of the term.

#### **14) Unit Production Managers**

This shall confirm the understandings reached during negotiation of the National Commercial Agreement of 2005 concerning responsibilities and duties of Unit Production Managers on television commercial productions.

- (A) The Guild continues to believe that the UPM responsibilities and duties set forth in Articles 1-302 (A) and (B) respectively may be performed only by persons covered by the Agreement as required by Article 1-305. The Guild expects that any person who performs the duties of a UPM, as commonly utilized and

understood in the motion picture industry, will be designated and employed as a UPM under the terms and conditions set forth in the Agreement.

- (B) Notwithstanding Paragraph A, the Guild acknowledges that a long standing practice exists within the television commercial industry where some Employers assign these duties and responsibilities to a person or a number of different persons so that there is no one person designated as a Unit Production Manager as that position is commonly utilized and understood in the motion picture industry. In these situations, the determination of whether an individual should be covered as UPM should as an initial matter be discussed in good faith and determined by the Employee and Employer involved, inasmuch as they are in the best position to determine the precise duties and responsibilities to be performed by the Employee on a particular commercial.
- (C) Consistent with the foregoing, each Employer will continue to cover as UPMs those Employees who have in the past been designated by that Company as a UPM on commercials when the Employee performs UPM duties and has overall responsibility as a UPM.
- (D) Any request by a qualified Employee to be covered as a UPM to an Employer that has not regularly designated that Employee as a UPM in the past will be discussed in good faith between the Employee and Employer involved. The Guild and AICP agree and expect those individual discussions will result in Employees being covered as UPMs when they are hired to perform the duties set forth in Article 1-302 (B) and have overall responsibility as a UPM as commonly utilized and understood in the motion picture industry. Similarly, the Guild and AICP expect that employees who do not perform the duties set forth in Article 1-302 (B) and do not have overall responsibility as a UPM as commonly utilized and understood in the motion picture industry will not be covered as UPMs.

**15) Director Creative Rights**

On or before July 1, 2015, the parties agree to establish a joint AICP/DGA Commercial Directors Creative Rights Committee to explore opportunities to enhance valuation of the Director and protect against possible erosion of the Director's role in the production of commercials.

**16) First Assistant Director Overtime\***

Notwithstanding the terms of Article 5-303, the Agreement shall be deemed modified for members of the AICP with respect to First Assistant Directors only in the following respects:

- (A) For purposes of the thirteenth (13<sup>th</sup>), fourteenth (14<sup>th</sup>) and fifteenth (15<sup>th</sup>) consecutive work hours, overtime payment shall be made in half-hour increments. The thirteenth (13<sup>th</sup>) consecutive work hour shall be paid at the rate of one-eighth (1/8<sup>th</sup>) of the Employee's daily rate. The fourteenth (14<sup>th</sup>) consecutive work hour shall be paid at the rate of one-seventh (1/7<sup>th</sup>) of the Employee's daily rate.
