

**LOW BUDGET SIDELETTER TO THE DIRECTORS GUILD OF AMERICA  
BASIC AGREEMENT OF 2017  
SINGLE PROJECT AGREEMENT**

\_\_\_\_\_ (the “Employer”) enters into this sideletter (the “Sideletter”) with the Directors Guild of America, Inc. (the “DGA” or the “Guild”) governing the employment of the Directors, Unit Production Managers, First Assistant Directors, and Second Assistant Directors (“Employees”) employed in connection with the production of the theatrical motion picture currently entitled “\_\_\_\_\_” (the “Picture”), and concurrently agrees to execute and to be bound by the DGA Basic Agreement of 2017 (“BA”). To the extent the provisions herein are inconsistent with the BA, the provisions of this Sideletter shall be controlling.

The Picture shall be covered by this Sideletter only if the Budget, as defined below, is within the specified levels, as defined herein (each, a “Level”), of production costs and it is intended for initial release theatrically. If the Picture fails to get a domestic (U.S. and Canada) theatrical release and is first released in the video, pay television, free television, or new media market, it shall nevertheless remain classified as a theatrical motion picture for all purposes and shall not be reclassified as a “Made for Pay Television,” “Free Television,” or “Made for New Media” motion picture, if, upon completion of the Picture, it is not suitable for theatrical release or the Employer is unable to obtain one.

Notwithstanding the foregoing, the Picture shall not be a covered motion picture, and this Sideletter will not apply, if it is developed by or for a domestic or foreign basic cable service, pay television service, free television network or broadcaster, or new media platform, or if more than fifty percent (50%) of the negative cost of the Picture is provided by any such entity, either directly or by virtue of a license or agreement for other transfer of rights that is entered before the Picture is completed and used to finance the Picture or as collateral for a loan to finance the Picture. In that event, the BA, including but not limited to the provisions relating to the initial salaries for Directors under Article 10 (free television), Article 20 (pay television), Article 23 (basic cable), or Sideletter 35 (New Media) and for Assistant Directors and Unit Production Managers under Articles 13 or 23 or Sideletter 35, as appropriate, shall apply.

A Picture that is intended for initial release in the home video market, and which is not developed or financed by a basic cable service or a pay television service or free television network or broadcaster as set forth above, may be produced pursuant to the terms and conditions of this Sideletter for the applicable level of production costs. Such a Picture shall be classified as a “theatrical motion picture” for all purposes, except that residuals for the Picture shall be paid pursuant to Article 20 of the BA.

Prior to any employee commencing DGA-covered services on the Picture, the Employer must confirm with the DGA, in writing, that it has established a written safety program to the extent required by applicable law.

### **Budget**

1. **Submission for Classification:** Before the start of principal photography, Employer shall submit to the DGA the Budget, as defined below, that was approved for purposes of bank or investment financing by a bona fide completion guarantor, or if there is no completion bond, the Budget in effect upon commencement of principal photography signed by the Unit Production Manager and an officer of Employer.
2. **Budget Definition:** The budget for the Picture shall consist of all direct and indirect production costs actually incurred in connection with the Picture (the “Budget”). The only costs excluded in determining the Level of the Picture (i.e., Level 1-4, as defined herein), for purposes of this Sideletter shall be financing costs (e.g., bank fees, gap fees, legal fees and interest); contingency of up to ten percent (10%); essential element insurance costs; the cost of the completion bond; marketing expenses; contingent payments to talent or other parties that are based on the proceeds derived from the exploitation of the Picture and received after recoupment of the negative cost; and delivery items required by sales agents, distributors, or subdistributors (e.g., delivery materials beyond the answer print or the NTSC Video Master if the Picture is delivered on videotape, or the digital equivalent if the picture is delivered in a digital format). Federal, state, and foreign rebates and tax credits shall not be excluded from the Budget. DGA shall review the Budget, taking into consideration any and all

proposed cost exclusions, and shall approve such Budget for level determination, as defined herein.

3. Submission of Final Cost Statement: No later than sixty (60) days after the completion of the answer print or eighteen (18) months after wrap of principal photography, whichever comes first, Employer shall submit to the DGA a statement of all actual costs incurred in connection with the production of the Picture (i.e., those costs commonly referred to as the “negative cost”) that are not properly excluded from the Budget, as detailed in the first paragraph above (the “Final Cost Statement”). The DGA shall have the right to review and audit records relating to the cost of the Picture. The DGA shall have six (6) months from the date of receipt of the Final Cost Statement to notify Employer of a challenge or claim concerning the appropriate Level for the Picture. After said six (6) month period, the DGA shall be deemed to have waived the right to challenge the Budget or Level of production cost of the Picture. Costs incurred on account of force majeure events, default or disability of major talent, government action, or reshooting due to faulty negative caused by technical problems outside of Employer’s control shall not be counted toward the actual costs.

If the actual final production cost of the Picture exceeds the Budget approved by the DGA by more than the budgeted contingency and such actual final production cost causes the Picture to have a Budget higher than its original Level, then the Picture shall be reclassified into such higher Level, the provisions applicable to the higher Level shall apply, and all salaries and other terms shall be adjusted accordingly and paid within thirty (30) days after submission of the Final Cost Statement.

The currency rate in effect on the earlier of the date the bank financing for the Picture closes, or the start of principal photography, will be used for purposes of determining the Budget, and the final cost, of the Picture.

For any Director assigned to the Picture, Employer shall use a deal memorandum in content and form substantially as set forth in Exhibit A attached to this Sideletter. For any Unit Production

Manager and Assistant Director assigned to the Picture, Employer shall use a deal memorandum in content and form substantially as set forth in Exhibit B attached to this Sideletter.

**I. Level 1: On a Picture with a Budget equal to or less than \$1,100,000, the employment of Employees shall be subject to the following provisions of the BA, except as modified below:**

In the event the salary for Unit Production Manager services only exceeds \$100,000, Employer shall pay contributions on the actual Unit Production Manager salary. This provision shall not apply to a Unit Production Manager who is also a “Principal” of the Employer, as defined below.

If a Director is a “Principal” of the Employer as defined below, then the Director’s salary for purposes of pension and health contributions shall be the lesser of 2% of the Budget of the Picture or the Director’s actual salary.

If a Unit Production Manager or Assistant Director is a "Principal" of the Employer as defined below, then any such Unit Production Manager’s or Assistant Director’s compensation for the purposes of pension and health contributions will be based on the lesser of the actual salary or the applicable salary level at Level 1b, as defined herein. For example, if a Unit Production Manager on a Level 1a film is paid an amount that exceeds the Level 1b salary for a Unit Production Manager, the contributions shall be paid on an amount equivalent to the Level 1b Unit Production Manager salary.

A Principal is defined as an individual who owns, or whose spouse, parent, sibling or lineal descendent owns, directly or indirectly, ten percent (10%) or more of the equity of the Employer (the “Principal”).

However, Employees covered by this provision may not be paid a lower per diem than that payable

to SAG or IATSE employees employed on the same Picture pursuant to either union's applicable collective bargaining agreement.

11. Travel: Travel for all Employees will be in coach for (a) non-stop domestic flights of less than 1,000 air miles from departure point to final destination; (b) flights between Los Angeles and Vancouver; or (c) flights of less than 1,000 air miles between the United States and either Toronto or Vancouver. Except as noted above, travel will be business class for non-stop domestic or foreign flights of 1,000 or more miles from departure point to final destination.

If an Employee is traveling on the same flight as another employee employed on the same production by the same Employer and the other employee is entitled to travel in a higher class of transportation pursuant to the minimum terms of the collective bargaining agreement under which he/she is employed, then the Employee shall be upgraded to the same class of transportation as is afforded to the other employee.

Employer may not offer better rates or conditions of employment to

non-Qualification List Employees than those offered to Qualification List Employees.

In the event Employer has employed an Assistant Director or Unit Production Manager who is not on the Qualification List before it becomes signatory to the Basic Agreement, such employment shall be considered as the allowable exception to the applicable Qualification List as delineated in the preceding paragraph.

Applicable Qualification List shall be defined as the Southern California Entertainment Qualification List, the New York Entertainment Qualification List and the Third Area Entertainment Qualification List.

Individuals on any one of the applicable Qualification Lists may be hired to work in any geographic location.

In addition, Employer may hire two individuals on any of the applicable Qualification Lists to work in the next higher Qualification List category than the one on which they are placed. For example, a Southern California or Third Area Qualified Second Assistant Director may be employed in Southern California or New York as a First Assistant Director.

In the event there are no available persons on the applicable Qualification List to perform the work of a Second Assistant Director, the next preference in employment shall be DGA Trainees; if no such Trainees are available, then Employer may hire Second Assistant Directors from any source. In the event Employer has employed an Assistant Director or Unit Production Manager who is not on the Qualification List before it becomes signatory to the Basic Agreement, such employment shall be considered as the allowable exception to the applicable Qualification List as delineated in the preceding paragraph.

Applicable Qualification List shall be defined as the Southern California Entertainment Qualification List, the New York Entertainment Qualification List and the Third Area Entertainment Qualification List.

Individuals on any one of the applicable Qualification Lists may be hired to work in any geographic location.

In addition, Employer may hire two individuals on any of the applicable Qualification Lists to work in the next higher Qualification List category than the one on which they are placed.
